Message

Fight one more round.
When your feet are so tired
that you have to shuffle back to
the centre of the ring.
Fight one more round,
when your arms are so tired
that you can hardly lift your hands
to come on guard,
Fight one more round
when your nose is bleeding and your eyes are black
and you are so tired
that you wish your opponent
would crack you on the jaw
and put you to sleep,
Fight one more round remembering that
the men who always fights
one more round
is never whipped.
